General Internship Flow
As a four-semester process

Semester 1 – Identify opportunities and begin planning work goals, budget, and other requirements

Semester 2 – Finalize planning in conjunction with GLOBE 320
Preparation and risk mitigation activities
Travel planning
Communication with internship supervisor
Language skill assessment

Semester 3 – Conduct in-country activities
Five to eight weeks typically (not full semester)
Weekly reports

Semester 4 – Complete internship related activities in conjunction with GLOBE 321
Newsletter article with photo
Thank you letters
Poster session
Report (outline / draft / final)

This often translates into:
Semester 1 – Fall semester #1
Semester 2 – Spring semester
Semester 3 – Summer Semester
Semester 4 – Fall Semester #2

This can vary with each individual student’s curriculum and academic goals.
